

RED CROSS HAD A GOOD YEAR

The Annual report of the Grimsby and District Branch of the Red Cross Society reveals that peace-time activities need be no less challenging than those of war, but without the anxiety and tension of those strenuous years.

The opening devotional exercises were taken by the Minister of Trinity United Church, Rev. W. J. Watt. "The transition from war to a peace time program is not easily achieved," remarked the chairman, Mrs. L. J. Pettit. But the Executive of 1946 accepted the challenge, and has, we feel, made progress toward forming a policy which will, in the future, give the citizens of this District an opportunity to serve both at home and farther afield.

The two main projects of the year were the Swimming and Water-Safety Instruction given at the two beaches and the Home Nursing Course now being held at the Trinity Church Hall. The Secretary, Mrs. James Hayward, reported on the Instructors' course, held at Niagara Falls and their work at the beaches.

Seven High School students qualified and gave most satisfactory service during July and August. At the swimming meet, held the last of August, 45 children received certificates out of 90 or more who took the course. The Instructors were Shirley Cornwell. (Continued on page 3)

SPECIAL CEREMONIES FOR BOY SCOUT WEEK

Grimsby Troop First Formed in 1909 — Many Scouts of Olden Days Now Have Sons Who Are Scouts.

This being Boy Scout - Girl Guide Week the time is opportune to outline a few salient points.

It is the hope of the committee that every parent in the community with children of age for Cubs or Brownies will take a keen interest in this week and strive to assist the leaders by either beginning or renewing a wholesome interest in this worthwhile organization and follow it right through the cycle to the final goal of Rover Scout or Girl Guide.

Speaking of the Wolf Cub and Scout section in particular. This group is sponsored at Grimsby and Grimsby Beach by The Grimsby Lions Club—but is directed by a group chosen from the community in general.

Your local Scout Committee is: M. A. Johnson, chairman; W. H. Kelterborn, secretary - treasurer; V. Catton, W. Greig, R. C. Bourne.

Recently Scouter Jas. Baker was elevated to the post of District Scout Master and Col. G. R. Chetwynd took over as local Scout Master with Earl Luey as assistant.

The Wolf Cub pack is led by an energetic group composed of Cyril Mote, Mrs. E. W. Phelps and Mrs. H. G. Mogg.

On the subject of scouting, there are a number of excellent books available, from which the boy may prepare himself for advancement. Parents are requested to interest (Continued on page 3)

BEAMSVILLE DAIRYMAN BEFORE COMMISSION

Garfield Rouse Claims His Only Profit Comes From Sales Of Calves And Cows.

Changed conditions in the dairy business during the last 20 years was blamed by Garfield Rouse, Beamsville dairy farmer, who told the Ontario Royal Commission on milk in Toronto on Friday the only real profit in his business arose from the sale of calves and cattle. Asked by a member of the commission if such a condition existed 20 years ago, Mr. Rouse said milk was more profitable to produce and cattle less profitable to produce at that time.

The Beamsville farmer, whose market is in St. Catharines, said the \$3.40 per hundred pounds basic price he was paid for his milk there was "by and large, fair." He said, however, he believed farmers should get \$3.65, the price which has been represented to the commission as the farmers' cost of production per hundred weight throughout the province at large.

"SCOUTS OF THE WORLD—BUILDING FOR TOMORROW!"

THEIR IS THE FUTURE

CANADIAN BOY SCOUT-GIRL GUIDE WEEK

FEBRUARY 16-23, 1947

PEOPLE ON SIDE ROADS BELOW MOUNTAIN, "FORGOTTEN MEN"

VINELAND EXPERIMENT FARM ESTABLISHED 41 YEARS AGO

POSSIBLE THAT NO. 8 WILL BE WIDENED

Rumor Has It That A Four-Lane Undivided Roadway Will Be Constructed From Hamilton East To Monument.

There is a possibility that No. 8 highway may be widened to a four-lane road from Hamilton city limits east to at least the intersection of No. 20 highway and perhaps as far as the Saltfleet monument during the coming summer.

A Department of Highways survey crew is at present mapping out the area and while officials would neither confirm nor deny the report, it is rumored that the pavement is to be made at least 40 feet wide, allowing for a four-lane undivided highway similar to the west entrance to the city via No. 2 highway. The department already owns a 90-foot right-of-way through most of the area where the widening is to be done.

Increased traffic and rapid development of the areas surrounding the city are taxing the present entrances to the city via Highways (Continued on page 3)

NEW GLASS IN DOORS

Another small step towards modernization has been taken in the Lincoln County buildings whose architecture might be called "dated," to say the least.

Following the renovation of a number of the offices and the installation of modern fluorescent lighting, new glass panes have been placed in the doors leading to the warden's office and the office of the county court clerk. The new glass admits a maximum of light but does not allow one to see through it.

It replaces the old frosted glass plates which had intricate designs and lettering etched into it. The names of the offices have been put on in paint.

First Block Of 90 Acres Was Donated By The Late M. F. Rittenhouse Of Chicago — 35 Acres Purchased Last Year To Be Used For Experimental Work With Grapes.

E. F. Palmer, director of the Vineland Horticulture Experiment Station took charge of the discussion at the fruit forum meeting held at the station on Thursday afternoon. In discussing the topic, "Why an Experiment Station?" Mr. Palmer stated that it was the desire of the committee to acquire new growers in the district with the purpose of the station and the extension service offered, as well as to invite discussion on the improvement of its service to the growers.

In giving a brief historical sketch of the work at the station, Mr. Palmer stated that it was an out-growth of the work begun at 15 fruit experiment stations established in various parts of Ontario in 1894. These stations, which were established for the purpose of testing new and little known varieties of fruit, gradually discontinued their work after concentrated work on horticultural problems was begun under a trained personnel at Vineland.

The land for the station, originally composed of 90 acres, Mr. Palmer continued, was donated to the Ontario Government in 1906 by the late M. F. Rittenhouse of Chicago. (Continued on page 3)

WILL PAY COUNCILLORS

(Niagara Advance)

After several abortive attempts during the past couple of years to vote itself salaries, Niagara Town Councillors at their meeting Tuesday evening, finally mustered sufficient support to swing the deal. By a vote of five to three it was decided that for the year 1947 the Mayor should receive an indemnity of \$75 and the Councillors each \$50.

So Declared Cecil M. Bonham At North Grimsby Council Meeting When Appealing For Construction And Maintenance Work On Roads — "Lake Street A Disgrace To Any Municipality" — Council Seems Hesitant About Spending Any Money — Mill Rate Will Rise.

Many letters of importance came before North Grimsby council in regular monthly session on Saturday afternoon and all through the discussions the theme of keeping the tax rate down was plainly discernible. At one point Deputy Reeve Aikens predicted "a raise of at least three mills this year, roughly figuring," and stating that "the County Road Rate alone would be up one mill." Council seemed hesitant on all questions regarding expenditures and more than once Chancellor of the Exchequer Sam Bartlett warned that "we must go careful," leading one to believe that he does not view the future prosperity of the county with too much optimism.

Cecil M. Bonham provided the most of the fireworks of the afternoon when in addressing council he stated "I am one of those unfortunate individuals who live below the mountain where you collect from 60 to 70 per cent of the taxes and spend none." He was appealing for road work to be done on Lake street between the town limits and Nelles Road. This road he declared "never has been maintained" (Continued on page 3)

THE GOOD OLD DAYS ARE GONE FOREVER

The London Free Press makes the lament:

"In the 'good old days' we had shirts with tails, two pairs of pants per suit, no income tax, nice neighbors, road shows, parasols, the Western Fair, private enterprise, church-goers, home-grown vegetables, a house to ourselves, time, and faith, hope and charity."

"Gone with the wind, too, are the five cent cigar, the five cent shine, and the ten cent shave, and liver thrown in with the meat order. O for the good old days, which will never return."

COUNCIL WILL CONFER WITH B. OF E. OVER \$18,300 REQUEST

GRIMSBY SCHOOL TEACHERS ARE GIVEN SALARY RAISES

BUILDING NEW ADDITION TO MAIN STREET BLOCK

Structure 32x38 With Seven Foot Basement Being Added To Levine Block — Cement And Steel.

The foundation is dug out and the basement walls are partially constructed on the new addition that Samuel Levine is constructing at the rear of his two stores on Main street occupied by himself and Jarvis Bakery.

The new addition will be 32 feet wide by 38 feet long with a seven foot basement. Built of cement blocks and steel it will be one storey high for the present but the foundation walls are being put in to provide for the second storey if and when it is found convenient to build.

This new addition will provide a large amount of room for the display of goods and for the addition of new lines of merchandise in the Levine Store.

GIRL GUIDING HISTORY IN GRIMSBY DISTRICT

First Girl Guide Company Was Started in 1913 And There Has Never Been A Break Since.

The Girl Guide movement was founded in England by the late Lord Baden-Powell in 1909 with his sister, Miss Agnes Baden-Powell as president. In 1910 the first Girl Guide Company in Canada was started in St. Catharines, Ontario, which gives our own County of Lincoln a very prominent place in the history of Canadian Girl Guides.

In 1913 the 1st Grimsby Girl Guide Company was started and since that time there has never been a break in Guiding in Grimsby. Grimsby can boast of having had a Girl Guide Company for 34 years continuously. This original Company was sponsored by a local association until May, 1928, when the Lincoln Loyalist Chapter, I.O. D.E., decided to take on the sponsorship. The Company was then registered at the 50th I.O.D.E. Girl Guide Company.

This Company was a part of the Lincoln Division of Girl Guides until 1943 when the Division was divided and the Grimsby Girl Guides became a part of West Lincoln Division. Miss Harriet Walsh, of Grimsby was appointed Divisional Commissioner with Miss N. Cret of Beamsville as District Commissioner. This Division is now made up of 5 companies, namely Fruitland, Beamsville, Grimsby Beach, and 2 companies in Grimsby.

It is interesting to note at this (Continued on page 3)

ST. MARY'S CHURCH IS ENTIRELY DEBT FREE

Memorable Day For The Ukrainian Catholic Church At Grimsby—Burning Of The Church Mortgage.

(Contributed) Tym Since the arrival of Father, the in the middle of October its church committee concentrated the efforts mainly on paying (gn was mortgage. A quiet campaign the started, so quiet that officially Independent was not out time aware of it. Within a short an the committee was able to announce that the necessary sum of \$3000. was on hand. The money came from the following sources: The Annual Bazaar brought in over \$700.00, the St. Mary's Ladies Auxiliary donated the magnificent sum of \$1,000, the individual donations amounted to \$1300, and there you are! Just as easy as that! Only Father Tym and the church committee know how much energy was expended to achieve such wonderful results, mortgage. keep mum. (Continued on page 3)

Ratepayers Faced With A Boost In Tax Rate Of Five And One-Half Mills For Educational Costs — B. Of E. Anticipate A Reduction Of \$2,000 In Revenue From Other Sources.

Grimsby ratepayers face a boost of approximately five and one-half mills in cost of education in this year's tax rate if the municipal council approves a requisition for \$16,300 and debenture payment on the high school made by Board of Education at last Wednesday night's meeting. Outside the debenture payment, the requisition is equal to approximately nine and one-half mills, as compared to last year's four mills.

Salary increases to teaching staff totalling \$6,700, coupled with a reduction of \$2,000 in anticipated revenue and rising costs of fuel and other supplies are responsible for the increase.

Total cost of operating the high and public schools for the year is estimated by the board at \$56,827.

Estimated revenues amount to \$40,600, leaving \$16,227 to be levied in taxes.

High school teachers' salaries have been raised \$200 while the principal is to receive a \$100 increase and the music teacher \$50.

The public school principal and assistant principal have been raised \$300 and other teachers \$200, all dating from January 1.

The new schedule is as follows: High school assistant teachers, minimum \$2,000; maximum \$3,200, with yearly increase of \$100, experience and special qualifications to count 50 per cent.

In the public school, the maximum will be \$2,100 and minimum \$1,500 with annual increase of \$100, special certificates at rate of \$50 to \$100. Salaries of principals and assistant principals to be considered apart from these schedules.

T. L. Dymond was re-elected chairman of the board, and William Hewson, vice-chairman.

Committees for the year will be: William Hewson, R. A. Lipsett, finance; A. V. Catton, R. O. Smith, high school property; Russell Terry, R. C. Bourne, public school property; Mrs. L. A. Bromley, Spencer Merritt, Dr. A. F. McIntyre and R. C. Bourne, internal management.

E. J. Muir was reappointed secretary-treasurer and Kenneth Griffith was appointed the board's representative to the town library board.

Proclamation

To the Citizens of Grimsby:-

Whereas His Excellency the Governor General, the Chief Scout for Canada, has requested that the week of February 16th - 23rd be observed as Boy Scout and Girl Guide week, I therefore request all citizens to show their appreciation of the training for good citizenship successfully carried out by the Boy Scouts and Girl Guides associations by observing the week above mentioned as Boy Scout and Girl Guide week, and further that Sunday, February 16th, and Sunday, February 23rd, be observed as Scout - Guide Sundays, to commemorate February 22nd, being the 90th anniversary of the birth of Lord Baden Powell, the founder of both movements.

Signed,
HENRY BULL, Mayor.

FACTS & FANCIES

Frank Fairborn, Jr.

"THEIRS IS THE FUTURE"

With 66,000 Girl Guides and 100,000 Boy Scouts participating, Boy Scout - Girl Guide Week, February 16th to 23rd, has the following objectives:

- 1.—To stress the "outdoor" training aspect of the Scout and Guide Movements.
- 2.—To stimulate in Scouts and Guides a desire to seek and make opportunities for SERVICE in their own communities.
- 3.—To make Scouts and Guides not only conscious of, but really proud of membership in an international movement in which World Fellowship is a proved reality.
- 4.—To voice appreciation to Canadian Scouters and Guiders for consistent leadership in their groups throughout the country. These are the people who make Scouting and Guiding.—These are the people who, through good times and bad, keep it going. Give them the praise they deserve.
- 5.—To go after and welcome into the Movements, not only former leaders in Scouting and Guiding, but other ex-Service personnel who, by reason of their Service experience would make excellent leaders.
- 6.—To develop in Scouters and Guiders such a consciousness of the importance of their work—and of their opportunities to make a vital contribution to Canada and world friendship, that they will tackle their leadership with renewed vigor and pride.
- 7.—To give the people of Canada a better understanding of what Scouting and Guiding is striving to do for the youth of this country, and to secure active public participation in local associations and group committees.

To these ends—and for the benefit of girls and boys everywhere in Canada—is Boy Scout - Girl Guide Week dedicated.

WHY?

How many parents and ratepayers of this town and district are interested in the business conducted by their school boards, or what that business is, or how it is conducted, or when?

Or how many parents or ratepayers read the annual reports, if any, of their biggest individual business—the public and high schools?

How many parents know anything more about them than just a feeling of great thankfulness when they get their children back to school again after the long summer holidays, or an unusually prolonged holiday like that of the past Christmas?

And yet most, if not all parents, are continually dreaming dreams for their children. It matters not that these dreams are entirely separated from any consideration of what their heredity may be; what the home influence may be, or even from the attitude that the home assumes towards education.

It would seem to be the general attitude of a great many towns and districts to regard our teachers, our schools and our school system as something in the light of a Santa Claus. But why?

TRAINING WORKERS

A factor vital to the future prosperity of this province and the country as a whole is the need for training young men and women to take their places in industrial jobs. Overseas service prevented thousands from acquiring skills that in normal times would have been obtained through apprenticeship and other means.

Industry is seeking an answer to this problem and technical schools established by the Department of Veterans Affairs and other agencies are going far in providing a solution. Calling attention to the opportunities offered by these schools to returned service personnel a series of advertisements starts in the current issue of this newspaper.

THE GRIMSBY INDEPENDENT

The advertisements, entitled 'Hands at Work,' and sponsored by the Ontario Brewing Industry, not only feature the various types of training available but point out to business and industrial leaders the potentialities represented by the pool of basically trained workers steadily flowing from these schools, located in many centres throughout the province.

THAT CITIZENSHIP

A Windsor Star Editor, W. L. Clark, asked a friend if he were going to invest a dollar bill for a certificate of Canadian citizenship, and he received this reply:

"My father gave his life in France when serving with the Canadians and fighting for this country. I went to this war and I was wounded seriously while fighting for this country. On my heart I bear the scar of my father's death and on my body I bear the scars of German bullets. If those scars don't make a Canadian citizen, no flimsy little bit of paper can make me a Canadian. Let those who never did anything but take from Canada buy their citizenship, but please don't let those of us who have given for Canada be deprived of our right to think of ourselves as Canadians."

There are Canadians of the fourth, fifth and sixth generation and at this late stage, a dollar has to be invested to establish their Canadianism. Take the man who fought in the First Great War, whose father fought in the Fenian Raid and who had sons fighting in the Second Great War. No certificate can cover such a family record.

THE ABSURDITY OF IT

The claims for portal-to-portal pay, now aggregating four billion in the United States is one of the greatest absurdities ever conceived. They have been quoting this in a Detroit court adjudicating on one claim, "de minimis non curat lex," which in ordinary English means that the law does not concern itself with trifles. Here is what one attorney contended:

The record in this case indicates that periods of personal-pursuit time aggregating twenty-five to thirty minutes in the course of an ordinary workday were devoted to such activities as eating candy in the rest room, talking, mixing soft drinks, attending to personal needs and the like. That record does not indicate the length of periods devoted to the individual activities, but the inference is clear that such periods exceeded in length any periods devoted to walking or make-ready activities. If this is found to be true, it is suggested that the de minimis rule should operate to exclude each and all such periods of walking and make-ready activity.

If there is such a thing as laughing an issue out of court, then Dave Boone, in The New York Sun, does it fairly well in this comment:

I see where a lot of time was put in by Judge Picard trying to estimate how many feet

the average worker walks per minute. It was two put at 275 feet but cut down to 176, or the miles an hour. Other questions occupying the court included how many seconds it takes for a man to wash grease off his arms, change his pants, etc. It is things like this that are now the major issues in a country built into the greatest on earth without anybody worrying about 'em. Can you imagine the pioneers taking time out in a critical era to argue over whether they had to walk 176 feet or 275 in the process of tacking a job?

Wonder what would be the comment of some of our Canadian jurists, men who came up in the hard way, on such preposterous claims as are now before American courts?

A CHANGED MAN

When Henry arrived at his office he found among his letters, an epistle directed to him in his own wife's handwriting. This puzzled him no end, because he had been talking to the dear woman across the breakfast table not an hour before. Opening the envelope, he read:

Dear Henry: I have often chided you for the interminable length of time it takes you to mail the letters I trustfully confide to your care, but I am afraid you do not take my complaints very seriously. That is why, dear Henry, that I am slipping this letter in among some others I am giving you to mail. When you receive it, my dear infallible man, be so good as to look at its date and then compare it with the postmark on the envelope. Are you not ashamed to have delayed so long in mailing it?

At the top of the communication Henry read the date, "December 14, 1946." Then referring to the postmark, he discovered, "December 25, 1946." Eleven days he had taken to mail his dear wife's letter! Henry is now a changed man.

Well, perhaps he is. But if Henry is like a whole lot of the rest of us, we have one or two doubts about it.

WOMEN AS BUYERS

It is a commonly expressed opinion that women are usually more skilful buyers of home and personal supplies than men. Many men, it is said, will buy the first article offered, and some of them do not even ask the price of things.

Women are said to be more inclined to shop around and make a real effort to get the very best thing on the market. They are keen to make the family money go as far as possible.

The women are almost always excellent judges of quality. They are quick to see defects, and are familiar with the signs indicating whether anything is well made. The men who put the family purse in their hands rarely make any mistake.

When you make out a cheque, you give an order to your bank to pay the amount specified to the person named.

If he lives on the next street, or thousands of miles away, he can take your cheque to his local bank and get the money.

He cannot get it without a receipt—his signature on the back of the cheque. If yours is a Current Account, your cheque comes back at the end of the month, and so you have a permanent record and receipt of the payment.

The enormous convenience of the chequing system is just one of the many services provided by your bank... for you.

Roy St. John, the retired butcher, who won't stay retired.

Beginning to think my Old Pal Jimmy Theal is getting old. See he is carrying a cane. How come?

The grapevine tells me that Peggy O'Neill is dieting. It will take more than the grapevine to convince me of that.

With all the snow and ice, sleet and rain, I still would not trade GRIMSBY for Miami or any other point in rattlesnake Florida—the last place the Good Lord made and forgot to finish.

Did you know that BADEN-POWELL lives on Main street west? Well, she does. Now start asking questions, but please, do not telephone Mrs. James Powell, for she is not the one.

Understand that Dave Bell, former Grimsbyite, flew to Bermuda on a business trip last week. Could not take Mary along as Dave takes up two seats himself and that is all he was able to book.

Thanks to everybody for all the compliments extended to this paper for the complete comprehensive and accurate report of the Fire Marshal's Inquiry into the devastating blaze that occurred at the plant of the White Canadian Aircraft factory last fall. A good newspaper, like The Independent is absolutely neutral on all questions and tries at all times to give a true and unbiased report of all matters. The real credit for this excellent report goes, not to the editor of this paper, but to its Cub Reporter, Gordon McGregor. He covered the whole inquiry and turned in a very fine job. If he wasn't good he could not work for The Independent. How do you like that?

Letters to the Editor

B. OF E. MILL RATE INCREASE

Grimsby, Ontario,

February 8th, 1947.

The Editor,

The Grimsby Independent.

Dear Mr. Editor:

A report in the Hamilton Spectator of February 7th, states that the Grimsby Board of Education is asking the Town Council to provide 9½ mills for school purposes in 1947 compared with 4 mills in 1946.

This is an increase of 137.5%.

Has the Board of Education gone on another of their "spending sprees?"

Not a very pleasant prospect for the taxpayers, should Council agree to similar increases for every department.

Ratepayer

THANKS PEOPLE

To The Editor,

Grimsby Independent.

Mr. and Mrs. T. Ryson of the United Studios of Music would like to take this opportunity to thank the citizens of Grimsby and vicinity for their fine co-operation in attending the Recital presented by the Grimsby Branch Ensemble, as well as the Senior Ensemble, held last Friday evening in Trinity Hall.

The proceeds will greatly assist in financing the chartered trip to St. Louis, Mo., where the Seniors have been invited by the International Guitar Guild to attend, next July 23 to 27th.

Yours sincerely,

United Studios,

T. E. Ryson.

AN APPRECIATION

The Independent,

Grimsby, Ontario.

Dear Sirs:

Thank you for signing and returning the contract for our 1947 advertising.

You may recall our letter about this time last year announcing a 4,000,000 lb. increase in "SALADA" sales over our previous peak. In 1946 we exceeded that peak by over 2,500,000 lbs. We attribute these very gratifying figures first of all to the quality of our tea and second to what we believe to be a sound advertising policy. As you probably are aware, ever since this business was founded in 1892 the most important feature of its advertising has been newspapers and we think it only fitting to acknowledge to you, as a publisher, the value we place on newspapers as a medium of advertising.

With best wishes for 1947, we are,

Yours truly,

SALADA TEA COMPANY OF CANADA, LTD.

Per: R. K. Bythell.

"THREE MAGIC WORDS"

There are three words, the sweetest words,

In all of human speech—

More sweet than all the songs of birds,

Or pages poets preach,

This life may be a vale of tears—

A sad and dreary thing—

Three words and trouble disappears,

And birds begin to sing,

Three words and all the roses bloom,

The sun begins to shine;

Three words will dissipate the gloom:

And water turns to wine,

Three words will cheer the saddest day—

"I love you"—Wrong, by heck!

It is a sweeter modern phrase:

It reads—"Enclosed find check!"

POSSIBLE THAT

8 and 6 to their capacity, a Highway Department spokesman said, and the widening project is almost an absolute necessity.

While proposed changes in the entrance via No. 6 and the possible construction of a tunnel to replace the present mountain grade may delay the widening of this road, it has been learned that plans call for a four-lane road at least as far south as Mount Hope and possibly to Caledonia.

Lack of a proper entrance to the east end of the city from the Queen Elizabeth Way is under discussion between city and highway officials at the present time, the proposal being to route incoming traffic via Stoney Creek traffic circle, highway No. 20, Barton Street and Parkdale Avenue the motorist then having his choice of entering the city via either Barton or Main Streets.

VINELAND EXPERIMENT

formerly a resident of this district. As the work grew, 90 acres more were secured later, he stated, adding that recently 35 acres had been purchased which will be used entirely in experimental work with grapes.

In establishing the station, Mr. Palmer explained, it was the policy of the government to broaden the scope of the work begun at the fruit stations, by including systematic plant breeding, and investigation of the many cultural problems confronting fruit and vegetable growers. The experiment station is therefore, he stated, a laboratory equipped and maintained to try out new ideas and methods and to study problems relative to the horticultural industry, and to improve varieties. In addition an extension service is maintained in order that results of investigational work, both here and elsewhere, can be made available to the grower.

The work at the station, Mr. Palmer said, falls into three main divisions: Plant breeding, a program demanding 50 per cent of the land as well as effort of the staff; variety testing; and experimental research. Since the station is a provincial institution, he stated, their purpose was to serve the entire province, although efforts have been necessarily concentrated on problems peculiar to the growers of the Niagara district. Many other horticulture and entomological stations he stated, are situated in various parts of the province, and throughout Canada. It is their purpose, he said, to co-ordinate the work of these stations, in order to avoid over-lapping and to make available to growers everywhere, the benefit of research and investigational activities carried out at each of these stations.

Mr. Palmer emphasized that the station staff was anxious to be of the greatest possible assistance to the growers, but in order to assist them in the solving of problems it was necessary, he said, for the growers to get in touch with members of the staff at the station.

PEOPLE ON SIDE

tained as a real road. In the Spring for two months it is positively impossible to travel on it. It is an absolute disgrace to any municipality.

Mr. Bonham also drew attention to the fact that "several of the roads below the mountain have become outright travel arteries between the Queen Elizabeth Way and No. 8 Highway. The traffic has become very heavy with cars, trucks and transports. They are connecting links between the two highways. No road on the mountain, ever was, or is in, as terrible condition as some of these roads, nor do they have anywhere near the amount of traffic on them."

At this juncture Mr. Bonham took up the cudgels for the people living on the various roads between the Queen Elizabeth Way and the lake and declared "Those people are just forgotten men."

Total expenditure on roads in the town in 1946 was \$18,049 of which the Ontario Department of Highways paid one-half. Total cost of the Woolverton mountain job was \$6,249. This road has still to be brought to its proper grade and stoned.

At a special meeting on February 1st, several applications for the position of Clerk and Treasurer were received but council deferred action on the appointment until such time as Clerk Allen receives a complete audit of his books. Salvation Army was granted \$25.

East End water consumption for January was 1,115,000 gallons. West End 250,000 gallons.

Joint Fire Committee accounts for \$43.77 were ordered paid. E. J. Muir, secretary of the North Grimsby Farm Loan Association notified council that a meeting of the association would be held today, February 13th.

Harold B. Matchett and George Marr addressed council and asked

that the township grant to the Public Library be increased to \$830 from the usual \$700 grant. Their request was acceded to.

Tax Collector Victor W. Thompson reported that during January, \$1240 of taxes for 1947 were prepaid and \$1432 arrears in taxes were paid.

A. R. Globe asked council to pass the prepared bylaw in their possession granting the West Lincoln Memorial Hospital a one mill levy on the tax rate. The matter was left over until the road estimates are discussed at a special meeting on Saturday of this week.

A grant of \$50 was made to the Clinton and Louth Agricultural Society of Beamsville.

GIRL GUIDE HISTORY

point that three of the present Companies in this Division have originated from the 50th I.O.D.E. Company. In 1931 a Grimsby Girl Guide moved to Beamsville and through her efforts the Lena Davis Chapter I.O.D.E. decided to start the then disbanded Girl Guide Company of Beamsville and the Company was registered as the 6th I.O.D.E. Company. In October, 1943, the Grimsby Company had such a large membership that it was divided into two companies, the new Company being the 87th I.O.D.E. Company. During these years of Guiding in Grimsby, there had always been one or two Guides from Grimsby Beach. In 1944 there were seven from that district and they became known as "The Beach Patrol". They felt that they could interest enough girls in their School to make another Company and in December of that year the Home and School Club decided to sponsor the 1st Grimsby Beach Company of Girl Guides.

In 1937, through the untiring efforts of Miss Walsh, a Brownie Pack was started and registered as the 25th I.O.D.E. Brownie Pack, with Miss Margaret Sims as Brown Owl. Succeeding Brown Owls and Tawny Owls have included Miss R. Walker, Mrs. A. Young, Miss J. Pettit, Mrs. T. Gammage, the present Brown Owl being Miss V. Fox, assisted by Mrs. W. W. Dick and Mrs. W. Morris.

Officers of the 50th and 87th I.O.D.E. Girl Guide Companies have included Mrs. L. A. Bromley, Mrs. K. C. Baxter, Mrs. E. W. Phelps, Mrs. S. C. Burgess, Miss M. Scott, Mrs. A. M. Metcalfe, Miss B. Burgess and Mrs. T. C. MacWilliam with the present officers being Miss E. Cullingford, Mrs. G. May, Miss L. Rahn. The members of the I.O.D.E. Girl Guide Committee are Mrs. K. C. Baxter, convenor; Mrs. S. C. Burgess, Mrs. R. N. Wolfenden, Mrs. E. A. Buckenham, Mrs. H. B. Matchett.

The first Captain of the Grimsby Beach Company was Miss Shirley Davidson, a member of the Grimsby Beach School Staff. Miss Davidson resigned in 1946 to enter University and was succeeded by Mrs. T. C. MacWilliam as Captain. Miss S. Cret as Lieutenant, assisted by Miss F. Brown.

The Grimsby Girl Guides meet in Trinity Hall every Tuesday at 7.15 p.m. The Brownies meet the same afternoon at 4 p.m. in Trinity Hall. The Grimsby Beach Girl Guides also meet on Tuesday afternoon in the Park School at 4 p.m. Girls from 7 to 10 years are eligible for membership in the Brownie Pack and the Girl Guide Companies are for girls from 10-16 years of age. The leaders of these groups are always glad to welcome any girl who wishes to become a member.

SPECIAL CEREMONIES

themselves in this advancement because the committee feels that the information gained by way of the various badge work and awards is invaluable to any boy.

Grimsby has been active in the Scout movement since 1909—under such leaders as Major H. F. Baker, Jas. Creelman, Chas. Warren, H. Crawford, Major L. A. Bromley, Jas. Baker and many others.

During 1914 to 1918 the Grimsby Boy Scouts grew vegetables on a lot which was then vacant at the corner of Main and Robinson Sts. They sold them and devoted their funds to war work.

Many local fathers will doubtless remember such names as Grimsby Beach, The Split Rock, Crescent Beach, Long Branch and McCoy's Woods as excellent camping sites.

We now have a group of excellent leaders in Col. Chetwynd, Group Capt. H. F. Dowle, Dr.

Copeland, Cyril Mote, Mrs. Phelps and Mrs. Mogg. Let us move to get behind our leaders and urge our boys and girls to take a responsible part in Scouting and Guiding and make our district not only one of the oldest, but the best.

During Boy Scout - Girl Guide Week, the Scouts and Cubs will wear uniforms.

Sunday, February 16th—Attend Church with parents.

Monday, February 17th, 7 p.m.—Scout Meeting—High School.

Thursday, February 20th, 6.30 p.m.—Section "1" Wolf Cubs, High School.

Friday, February 21st, 6.30 p.m.—Section "2" Wolf Cubs, High School.

Sunday, February 23rd, 3.45 p.m. Suiday, February 23rd, 3.45 p.m.—Special Service, Scouts and Guides, High School.

The flag will be raised and lowered morning and night during the week by the Scouts and Guides.

RED CROSS

Garth Bedford, Bruce Graham, Gordon Ruse, John Pasche, William Lewis and Ruth Powell. Mrs. C. D. Millyard reported on the Home Nursing Instruction course. Mrs. J. I. Maitland, Beamsville, is Supervisor and she with competent Assistants is making the course both interesting and useful. Fifteen are registered.

The financial report, given by the treasurer, Mrs. B. F. Morrison, and the sewing and knitting by Mrs. T. L. Dymond were satisfactory but not of course of wartime proportions.

Mr. C. D. Millyard, chairman of the Nominating Committee, presented the following slate of officers for the ensuing year: Mrs. J. A. Graham, president; Mrs. R. O. Smith, Mrs. L. J. Pettit and Mrs. T. L. Dymond, vice-presidents; Mrs. C. E. Dunham, secretary; Mrs. C. D. Millyard, treasurer; Mrs. John Chambers, liaison officer. At a later meeting of the Executive Mrs. R. N. Wolfenden, war time president of the Red Cross, was asked to become Honorary President and Mrs. C. A. Boden and Miss Ann Crane, Honorary vice-presidents.

With the singing of "God save the King" the meeting adjourned.

ST. MARY'S

Oh well, that was easy! The date was set for the First of February, 1947, at 7 in the evening. The St. Mary's Ladies' Church Auxiliary prepared a grand dinner for the parishioners and guests. The church hall was filled to capacity. Mr. Bill Palmer was the master of ceremonies. During the banquet special mention was made of the merits of our former pastor, Rev. Fr. N. Kohut, O.S.B.M., and it was decided that the proceeds of the banquet should go to buy a gift of acknowledgment for Father Kohut who is now in Rome.

After dinner, master of ceremonies called on Mr. Fred Wisnowski, who expressed his satisfaction on the splendid co-operation of the church members for their goodwill and donations. Mr. Palmer then reviewed the history of this church and stressed the fact that although the beginnings were very hard the church was finally finished and the debt was now paid. Then Fr. Wawryk, O.S.B.M., was called on, and in a few words expressed his admiration on the way the parish has progressed, and extended his good wishes for a still better future. The last speaker was our present parish priest, Father Tym. You should have seen the smile on Father Tym's face.—It was, as he said, one of the happiest days of his life. Yes, sir. This was the first mortgage that he had had the honour of burning.

He then praised the church committee for their hard work, and he put in an extra word of praise for the four parishioners, namely, Fred Wisnowski, Bill Palmer, John Wisnowski and John Halinski, who were not afraid to guarantee their whole property for the payment of the mortgage. Father Tym then thanked the whole church committee, and also the Ladies' Auxiliary for their gift of \$1000., and all those who with their donations contributed to the payment of the mortgage. The act of burning the mortgage was performed by Father Tym. Fred Wisnowski, Bill Palmer, John Wisnowski and John Halinski. After the ceremony the church members held a dance. Everybody went home happy in the thought that the church mortgage will be off their minds.

CFRB's 20th Anniversary

FEBRUARY 19th CFRB embarks on another twenty years of service to Ontario.

During its years of operation, this station has taken the lead at every stage of broadcasting development . . . in quality and power of signal, . . . in programming policy, in service to the whole community.

And we look forward with confidence to the next twenty years. We renew our pledge to carry on towards the greatest good of the community as a whole. We will keep CFRB "Ontario's favourite radio station". . . first for information, first for entertainment, first for inspiration!

Social Events — Personals — Organizations — Club Activities

Master Richard Trenbath of Washington is visiting at the home of the Rev. Neil M. Leckie and Mrs. Leckie.

Mr. and Mrs. John Lewis entertained last Tuesday for the family and a few relatives in honour of Mrs. Lewis' father, Mr. J. Etherington, on the occasion of his 80th birthday.

Robert and Mrs. Johnson, Murray street, are in Montreal this week attending the convention of the Canadian Lumbermen's Association. They will also visit Sherbrooke and Quebec City.

Mrs. Harold Baker and daughter Fay, of Southampton, England, are visiting with J. Ritchie and Mrs. McVicar, St. Andrew's avenue. They arrived in Canada on the Queen Elizabeth before Christmas and have been visiting with Mrs. Baker's father, Jack McVicar, Renfrew. Mrs. Baker went to England eight years ago and was all through the terrible war years and blitz.

CELEBRATES BIRTHDAY

Mrs. David Dick, Locust St., Burlington, celebrated her 85th birthday last Monday, February 10th. Mrs. Dick possibly holds the record for long distance walking, this being her daily habit. She looks after her own household tasks and is very brisk and happy.

JUNIOR FARMERS WILL STAGE PLAY

Rehearsals for "Too Many Relatives" are now in full progress. This is the three act comedy by Thomas Sutton soon to be presented by the Lincoln County Junior Farmers and Junior Girls. The Juniors will present this play at various points in the County. The dates and places will be announced at a little later date. The personnel of the cast are: Wm. and Charlotte Romagnoli, Ernest and Rhea Masterson, Keith Wiley, Ronald Moyer, Jessie Prentice, Jean Whitty, Mildred Heatherton, Leslie Tancock and Jack or Herbert Morrison.

ST. JOHN'S CHOIR

The annual meeting of St. John's Presbyterian Church Choir was held last Friday evening in the church rooms. Rev. F. McAvoy opened the meeting with prayer.

The President, Mrs. C. Terryberry, then proceeded with the business. Mrs. Andrew Stevenson gave the secretary-treasurer's report for the past year, which was a very gratifying one.

The gift of a cheque to the choir was suitably acknowledged.

Mr. McAvoy conducted the election of officers for 1947, which resulted as follows: President, Mrs. H. G. Mogg; 1st vice president, Miss May Crittenden; secretary-treasurer, Mrs. A. Stevenson; Mite Fund convener, Miss Jean Durham; Mistress of the Robes, Mrs. L. E. Larsen; Music convener, Fred Reiss.

Mrs. H. G. Mogg closed the meeting and the members enjoyed a few games of shuffleboard before sitting down to a delightful lunch. A sing-song followed and brought a pleasant evening to a close.

Baptist L.A.

Mrs. A. Dipper, Elizabeth St., was hostess to the Ladies' Aid Society of the Baptist Church, on Thursday afternoon, February 6th.

Preceding the opening prayer, a moment of silence was observed in memory of the late Mrs. F. J. Millar.

Mrs. Millar gave unreservedly of time, strength and means to her church and has been the very efficient secretary of the Ladies' Aid for several years.

The reports of committees were most encouraging, the visiting committee, Mrs. F. Simpson and Mrs. R. D. Colpitts, having made eleven calls during the month. The group system, introduced a month ago seems already to have gained momentum. Several projects are planned for the month and 2 of the leaders reported a gain of 4 and 5 members on the roll. The work of the friendship committee, in sending flowers and fruit to shut-ins and invalids, seems to be greatly appreciated.

Mrs. R. B. Tomlin and Mrs. Fred Branscombe were appointed on the visiting committee for February and the church reception committee will be Mesdames C. Burgess, R. J. Moyer, R. D. Colpitts and F. Simpson.

During the social hour the hostess served a cup of tea and delicious cake.

A father considers his daughter made a successful marriage when he doesn't have to continue sending her money after she is married.

Coming Events

O.E.S. Bridge and Euchre, February 18th at 8.30 p.m., Masonic Hall.

CONGREGATIONAL MEET OF TRINITY UNITED

The Annual Congregational meeting of Trinity United Church took place on Thursday evening, February 6th in Trinity Hall. A Pot-Luck supper was held at 6.30 p.m. with approximately 175 people partaking of a bountiful meal. Before the business meeting commenced, everyone enjoyed a brief sing-song led by Mr. Donald Kennedy.

The business session opened with the chairman, Rev. W. J. Watt offering a short prayer and reading the names of all the new members of the congregation.

A consolidated report of all Women's Organizations of the church was given by Mrs. Harry W. Powell.

Mr. Vernon Tuck gave a report on the work of the session and outlined the exact work and duties of the members of the Session.

The work of the Sunday School during the past year was outlined by Mr. H. V. Betzner, Superintendent, and their objective set for the coming year is the purchase of a moving picture projector to make the Sunday School sessions more attractive to the children and young people.

The newly formed Young Adult Group was reported on by Miss Annella Current.

The Treasurer's Report, given by Mr. A. V. Catton, Treasurer, was most gratifying. Mr. C. D. Millard, chairman of the Finance Committee reported a very successful year.

Mr. Harold Jarvis for the Board of Stewards, Mrs. W. A. McNiven for the Women's Association, Mrs. A. V. Catton for the Service Club, and Mrs. H. W. Powell for the Evening Auxiliary, each expressed the plans that their organizations have made for the coming year.

Rev. Mr. Watt expressed his appreciation to the congregation for their loyal co-operation throughout the year, and for their fine financial support to the church. Before vacating the chair, he offered a short prayer for all the families who had been blessed during the past year.

Mr. Harold Jarvis took charge of the balance of the meeting and called upon Mr. W. A. Johnson for the report of the Nominating Committee for the Committee of Stewards. Those elected to this office were Messrs: Harold Jarvis, A. V. Catton, A. A. Constable, C. D. Millard and Dr. A. W. Crich for a period of 3 years, and Mr. Robt. Johnson for a one year period to fulfill the term of a deceased member.

The resignation of Miss Elsie M. Brury as Church Treasurer and Envelope Secretary, was regretfully accepted, for she had given many years of faithful and devoted service to this office.

A report on the Pastoral Relations Committee was given by Mr. C. D. Millard. A congregational meeting is being called for Monday evening, February 17th in Trinity Hall, when the members will have a chance to discuss with the Official Board the appointment of a new minister.

Plans for a Memorial Window and Memorial Sunday School Hall were discussed at some length.

Mr. Russell Terry on behalf of the congregation expressed the appreciation of the fine, noble, and faithful service which Rev. and Mrs. Watt and family have given to the church during the past years. The congregation will feel a great loss at the retirement of Mr. Watt in June of this year.

The meeting was closed with the Mizpah Benediction by Mr. W. E. Cullingford.

Some of the highlights of the church year, as shown by the annual report, are as follows:

Ten members and seven adherents were removed from our church by death, and seventeen by transfer to other churches. Forty-nine came to us by letter from other churches, and ten were added by their profession of faith. Our total resident membership is now 568.

The pastor reported 8 marriages, 18 baptisms, and 11 funerals conducted. Four communion services were held with an average attendance of 247.

A summary of receipts shows the amount for local purposes raised to be \$7,565.00. The missionary gifts were \$1,854.00, and for other benevolences \$248.00, making a grand total of \$9,667.00. The number of ladies working in their respective groups is 172. The Sunday School has a membership of 14 teachers and 175 students.

A fool and his money are soon out-smarted.

Welcome

February 6th—To Michael and Mrs. Gorda, Grimsby, a son.

February 6th—To Roy and Mrs. Rosebrough, Grimsby Beach, a son, (Stillborn).

W.C.T.U.

The W.C.T.U. meets Wednesday, February 19th at the home of Mrs. Spencer Merritt, 10 Robinson St. S. at 2.30.

Guest speaker, Mrs. James Nelson, of Merrittton, Lincoln County resident and Provincial Secretary of L.Y.L. (Band of Hope). Members, support your officers and bring your friends. Topic for discussion "Glimpses of W.C.T.U. Work."

ST. JOHN'S CHURCH

At the regular meeting of the Board of Managers held in the church rooms on Thursday, February 6th, the following members were elected to office.

Andrew Smith, chairman of the board; D. E. Anderson, Treasurer; J. H. Dick, secretary. Also on the board as approved at the Annual Meeting are the following: J. D. Lamont, W. H. Morris, R. Walters, C. Mason, Wilfred M. Lawson, A. Henderson, O. W. Eickmeier, J. Dunham, D. C. Thomson, A. Hermonston, Lorne McMane and Frank Anderson.

The Grounds and Building Committee are: C. Mason, chairman, with R. Walters, A. Henderson and Lorne McMane. The Church Session members are the Minister, Rev. F. McAvoy; session clerk, A. C. Price; communion roll, George Crittenden; A. W. Eickmeier, J. H. Dick, D. C. Thomson, W. Sangster and J. Hawkins.

The Board lost a staunch Presbyterian in 1946 in the passing of the late Burgess Book, and his presence will be much missed by the congregation.

The meeting was opened and closed with prayer by the Rev. F. McAvoy. At the conclusion of the regular meeting the members enjoyed a game of shuffleboard on the three newly-renovated courts, after which a light lunch was served.

Trinity W.A.

Mrs. Peter Graham was hostess to the regular monthly meeting of the Trinity Women's Association. Mrs. W. A. McNiven, President, presided over the meeting. The scripture lesson was read by Mrs. H. G. Harper, from the new printed form published by the Women's Association Council. Mrs. T. L. Dymond expressed her thanks to the ladies for their gift in recognition of her years of service as Treasurer of the Association.

Routine matters of business were dealt with and all members of the organization were placed on Monthly Committees with a convener at the head. These groups are to raise money by some means for the organization. Mrs. T. L. Dymond for February and Mrs. R. Theal for March are planning to hold a crokinole party in Trinity Hall during the latter part of February.

Mrs. E. McAlonen reported on the work of the Kitchen Committee and asked for donations towards the annual congregational supper.

After the Mizpah Benediction which closed the business session, the ladies enjoyed a tasty lunch provided by Mrs. T. L. Dymond and her committee.

GRIMSBY MAN'S SON GIVES HEALTH TALK

The principal speaker before the Kinsmen Club of Preston, last week was Dr. Clifford McLean, Assistant Superintendent of the Freeport Sanatorium. Dr. McLean is a son of Rev. George and Mrs. McLean of Grimsby, and was recently made a Fellow of the American College of Chest Physicians, which entitles him to affix F.C.C.P. after his name.

In his address Dr. McLean stated that preventable diseases cause more deaths than war. "However, normal life expectancy is now three times what it was at the beginning of the 19th century due to

the successful efforts of the medical profession in applying scientific methods to build up the nation's health."

"The new objective", declared Dr. McLean, "of medical science is not just to increase life expectancy, but to keep people healthy throughout their lifetime, so that life is really enjoyed, which is what it should be." The speaker pointed out that the health laws of Moses are still among the best ever set forth.

YOUNG ADULT GROUP

A meeting of West Lincoln branch 127, Canadian Legion was held in the Masonic Hall on Monday night, called by President T. Eric Banks, to discuss the purchase of the Rosebush home at the corner of Main and Paton streets, in preference to the property the Legion now owns on Depot Street.

Bad roads and bad weather no doubt caused the attendance to be very light and it was decided to leave the question of buying this property in abeyance for the present.

Money is something a man wishes he had saved when he was making plenty of it.

Mothers' Club

The regular monthly meeting will be held at the home of Mrs. A. Henley, 185 Main St. West, Thursday, February 20th, at 3 o'clock. All mothers are cordially invited to attend.

Death

BENTLEY—At her home in Winston-Salem, North Carolina, U.S.A., on Sunday, February 9, in her ninetieth year, Alice Lockhart, widow of the late John H. Bentley, and mother of Burton L. Bentley, Grimsby. Also surviving are three other sons and four daughters. Burial in Halifax, N.S., on Thursday, February 13th.

Shower

Miss Joana Sklaryk and Mrs. H. Sodoma were hostesses at a miscellaneous shower last Saturday for Miss Ethel Buchko, a bride for this coming Saturday. A delightful evening was spent by a large number of guests gathered at the home of Mr. and Mrs. John Sklaryk, Maple Avenue.

Many beautiful gifts were received by the bride-to-be. Refreshments were served by hostesses.

St. John's L. A.

The Ladies' Aid of St. John's Church held their February meeting in the church rooms last Thursday, with a large attendance. The new lighting fixtures and new floors were much admired.

The group is sewing for the Red Cross and all good quilters are invited to come and help.

After the business session, lunch was served and a pleasant social hour was spent by the members.

Card of Thanks

We wish to thank our neighbors, friends and relatives for their kindness, sympathy and beautiful floral tributes during the illness and death of our mother.

Clarence, Jake, and Bob Walters

WOMEN'S INSTITUTE

The Women's Institute held a Euchre Party at the home of Mrs. W. Ransom, Robinson St. South, Wednesday evening, February 5th. Twelve tables were in play. High scores, Mrs. E. Kemp and Mr. Charles Sweet, Beamsville, low scores Mrs. J. J. Graham and Mr. Wm. Sangster. Guests were present from Beamsville and the surrounding district.

The regular meeting will be held at the home of Mrs. Wm. Sangster, Elizabeth St., Tuesday, February 18th, at 8 p.m. The topic will be Historical Research.

Trinity Service Club

Trinity Service Club met in the church parlors on Tuesday, February 11th, with a splendid attendance. The rooms had been gaily decorated by Mrs. J. H. MacMillan and her committee, following out the Valentine theme. Mrs. Burton Bentley, convener of the Membership Committee, announced that there would be a Pot Luck supper on March 10th at which any new members would be welcomed.

Mrs. T. Voigt presented a splendid report on behalf of the Ways and Means Committee and mentioned several interesting events to take place during 1947, particular mention being made of a Monstrous Bazaar in November.

Mr. C. D. Millyard addressed the meeting and gave the members details about the Memorial Window, which the Club is sponsoring in Trinity United Church. A committee headed by Mrs. V. Catton was appointed to look into prices, designs, etc.

Miss Anne Terry delighted the audience with an instrumental solo.

The Club's past president, Mrs. G. Mitchell was presented with a lovely gift in appreciation of her services during the past two years.

Hostesses for the afternoon were Mesdames Lewis McNiven, George Mitchell, J. H. MacMillan and E. W. Phelps.

Their Excellencies the Governor General and Viscountess Alexander will speak to the Scouts and Guides of Canada at 6.38 p.m., E.S.T., over the C.B.C. network on Sunday, February 16th. His Excellency is Chief Scout for Canada and Her Excellency is Honorary President of the Canadian Girl Guides.

WORLD DAY OF PRAYER

The World Day of Prayer will be observed locally in St. Andrew's Church on the first Friday in April—February 21st, at 3 p.m. The Lenten Make straight in the desert a Highway for our God.

The program this year is a very striking one, and has been written by a talented woman of India, Mrs. Isabel Caleb.

"Christian women everywhere uniting in intercession for the whole family of the whole church in the whole world."

Women's Institute

At Stoney Creek, Ontario, on February 19, 1897, the first Women's Institute in the world came into being in Squires' Hall, with Mrs. E. D. Smith, the wife of E. D. Smith of Winona, now Senator Smith, being elected as the first president. On February 19, 1947, at Stoney Creek, the Mother Institute will hold its golden anniversary celebration, and on that occasion, Mrs. G. D. Conant, daughter of the first President, Mrs. Smith, will be the guest speaker. Among the honoured guests on this occasion will be the charter members of the first Women's Institute in the world, along with officers of the Federated Women's Institutes of Canada and of Ontario. Since their inception at Stoney Creek fifty years ago, Women's Institutes have spread all over Canada and into many other countries, with an international organization known as the Associated Countrywomen of the World as the co-ordinated body binding them all together in service to the rural communities.

B.Y.P.U.

Those who attended the weekly meeting of the Baptist Young Peoples' Society, B.Y.P.U., had a very unexpected and pleasant surprise when three members of the Niagara District Executive dropped in to their meeting. They were Mr. Orland Osborne, former provincial president, Miss Irene Lockyer, district secretary, and Miss Jenny Livesay, all of St. Catharines.

After a helpful song service and devotional period Mr. Osborne addressed the gathering and gave some very valuable information concerning the proposed activities of the district young people's societies.

He said that the District Spring Rally would be held in the Baptist Church here on Tuesday, April 22, when about 300 young people would be present. He also said that probably a district Young People's Skating Party would be held in the Grimsby Arena shortly.

He also told of the opportunities that were available for the local society and expressed the hope that they would take advantage of as many of them as possible.

He also spoke of the annual convention of the Baptist young people of Ontario and Quebec to be held in Montreal around May 24th when hundreds of enthusiastic young folks would gather for worship, study and inspiration and urged at least one carload of delegates to attend.

The visitors were thanked for their visit by the president of the local society, Morris Pielt.

SERVICE CLUB CONCERT

The Davies Concert, sponsored by the Trinity Service Club, was quite a success in spite of the cold weather on Monday evening. Also in spite of the fact that the Davies were snow bound during the day for three hours and were an hour late starting here.

The highlights of the program were as follows: Frances and Noble singing "The Indian Love Call" from Rose Marie and Frances and Nelles singing "My Hero" from The Chocolate Soldier. The family were very versatile as shown by their repertoire and the variety of languages used. Frances delighted with selections from Handel's Messiah, and Beethoven's Carmen for the younger folk, "Smoke Gets in Your Eyes." Noble's best numbers were Largo Al Factotum from the Barber of Seville, sung in English, Invocation of Orpheus, from the first opera ever written and a German song which was lovely. Nelles delighted the audience with two humorous songs, a Scotch number entitled "Mm, Mm" and a Cockney number "Blow Me Eyes" and his deep bass voice enabled him to render an excellent performance of a Negro song "River Stay Way From Ma Door."

Mrs. Davies accompanied her children on the piano and introduced each number charmingly with information as to the origin of the song, its author and the story it told. This added greatly to the evening's entertainment.

The trio ended their program with a beautiful rendition of the Twenty-Third Psalm named "Brother James' Air."

What ever happened to the old-fashioned child who was sent but never heard.

SAINT MARY'S UKRAINIAN CATHOLIC CHURCH ANNUAL MEETING

On the 9th of February, 1947, St. Mary's Catholic Church members held their annual meeting. In spite of bad weather most of the members turned up on time. The meeting was opened by Father Tym who called on Mr. Fred Wisniewski, the vice-president, to give his report.

Mr. Wisniewski gave a general report on the parish activities during the past year. Then Mr. Andrew Palmer read the records, and Mr. Bill Palmer read out the total receipts of the parish during 1946 which amounted to \$5999.00. Then he read out the individual contributions of each parish member. This report showed who the real supporters of the church were and also those who contented themselves by contributing only a few dollars, but failed to back their wise sayings with Canadian currency.

Then the cashier, Mr. Peter Baranick, gave his report. Mr. John Hallinski and Mr. Mike Smerek, the church auditors, reported that the books were in order. Then followed the election of the church committee for the coming year. The election was held by secret ballot.

Mr. Fred Wisniewski was re-elected as vice-president. Mr. Andrew Palmer, also re-elected as recording secretary. Mr. Peter Baranick was re-elected as treasurer. Mr. Bill Palmer was re-elected as financial secretary. John and Michael Smerek resumed duties as church auditors. A work session followed on the further work and improvements to be made.

The parish priest then congratulated the church committee and thanked the parishioners for co-operation and support, a successful and prosperous year.

STRAWBERRY PROFITS WITH VIGORO

Experience is proving that it pays the grower well to feed strawberries with Vigoro Commercial Grower. Increased yield, early maturity, full flavor, and excellent shipping quality are a few of the advantages many growers are attributing to Vigoro Commercial Grower. These are advantages that spell EXTRA profit. Investigate!

A PRODUCT OF SWIFT

"that's a fine home you're building!"

YES, I think I'm going to like it.

I wish I had a home of my own.

Well, why not?

My wife has the idea that it would be a great worry if anything happened to me.

Nothing to it, my boy. The arrangements I've made with the SUN LIFE OF CANADA will clear the mortgage in the event of my untimely death.

I never thought of that. What about the cost?

Insignificant! In fact, it adds very little to the carrying charge of the mortgage.

You are a home-owner, make an investment safe for posterity. A SUN LIFE man will be to talk to over with you.

SPORTOLOGY

(Continued from page 6)

Canada, which the great Rudyard Kipling labelled "The Snows," still has plenty of snow, and in certain points Lady of the Snows, but The Banner Province of the Dominion, plenty of traction. Thermometer had not yet hit zero in the FRUIT BELT, but the hill, this winter, according to VERNON TUCK, Grimsby's, below artificial-Meteorologicalist, who does the recording for the gov-Optom- Same condition exists all over the province. Plenty of snow, but no real cold weather.

Up in CREEMORE, that's in Nottawasaga township, that produced my Ma and Pa and ARTIE CLARK, they have been up against mild weather.

Naturally I am a thousand per cent for artificial ice arenas because I long ago realized that if the kids were ever going to have any winter time fun, particularly in this district, then it would have to be artificial ice that they cavorted upon. Peach growing and 10 or more below zero weather just do not coincide.

When LESLIE JOHN FARRELL, now the pill-pounding specialist of Battawa, (it's in Ontario) and this columnist decided after the Old Boys' Reunion of 1921 that Grimsby needed, above all, an artificial ice rink, we started out and we found plenty of very broadminded sportsmen, like the late John H. Gibson, who believed like we did. As a consequence GRIMSBY ARENA was built, built in a hurry by the late Henry H. Marsh, with the engineering work under the supervision of the late Charles H. Bromley. That is the reason it is there today. That roof will take an 100 miles an hour gale. Those pipes are laid cross-wise. That is the reason that OLD TOM WARNER makes the greatest sheet of ice in America.

GRIMSBY ARENA had its trials and tribulations. The Town of Grimsby loaned the Arena Company \$15,000. The Town of Grimsby never lost a dime. If the Town had lost \$5,000 of their \$15,000 they would not have lost anything, because the Arena was still there. It is still there, one of the greatest assets that this town has today.

I lost money in that Arena. Leslie J. Farrell lost money in that Arena, the late John H. Gibson and a lot of other people lost money in the Arena. But not one of us ever had a kick coming. We knew when we put our dough into the proposition that we would never get it back, but we also knew that we would have an Arena and we have.

Let time take its course on all these problems and they will work out all right. I could not have told anybody in 1921 that if the Arena Company blew up and the Arena went back on the hands of the Town (ex-Mayor Arthur Hewson can tell you a lot about that grief) what would happen, or who would eventually own it, but I felt clear in my own mind that if such a thing did happen somebody would come to the rescue and the Arena would be saved for the people, particularly the kids. It did happen and most fortunately it fell into the hands of Earl J. Marsh and Niagara Packers Limited, and everything has been hot-as-tot since then.

I congratulate GEORGE PANTER on his progressive ideas. He is on the right track. We must maintain our great Canadian winter sport even if it is on artificial ice. Some of the best sporting towns in this country are handicapped right now on account of the lack of ice. Take our fine friends to the south, Dunnville, Thorold on the east and Oakville on the west. Would not all those thriving towns be better off if they had artificial ice? Particularly Dunnville. I hope YOUNG BILL FRY arises to the occasion.

Any Village or Town going into this artificial ice rink proposition must not use Grimsby and all its trouble as a criterion. Remember GRIMSBY was the FOURTH artificial ice arena in Canada, there being only Mutual Street rink in Toronto, Hamilton Arena and Port Colborne, ahead of GRIMSBY. Those were pioneer days. It is a different story today.

I say to the people in the villages and towns of Ontario, go forth and build your arenas and protect your kids. You will find that it is money well spent. If you want help, send for GEORGE MARR and OLD TOM WARNER.

A CHAMPION SPEAKS—With all the gambling scandal in the United States, the following by Dave Boone, in The New York Sun, is refreshing:—Gil Dodds, famous track athlete, went almost directly from a victory in Madison Square Garden to the pulpit of a church where he preached a sermon emphasizing the importance of clean living to any athlete. In an hour of 'fixes,' bribery probes, and loose ethics in the sports world this is something of a major novelty. 'Whether I win or lose I always praise the Lord,' said Dodds, 'for making it possible for me to run.' And, 'the body is the temple of God. Those who keep it fit are better able to carry on God's work.' "

COMPLETE GROUP STATISTICS—At the completion of the ten game schedule we must admit that we predicted away back in the early part of January that that boy Zuke would lead the Kings in points. Zuke has been playing a very smart game as a centre man for the Kings, and heads the points department at the completion of the schedule.

Player	GP	G	A	Pts.	P
Zuke	10	8	16	24	0
Warner	10	10	9	19	8
Tallman	10	8	10	18	10
Kemp	8	8	7	15	0
Blanchard	8	9	6	15	6
Hutchison	10	5	9	14	8
Mattison	10	8	4	12	2
Hill	10	6	6	12	0
Craig	7	6	4	10	8
Reid	10	3	7	10	4
Hale	6	6	3	9	6
Miller	9	3	3	6	18
Hann	8	2	3	5	12
Whitfield	2	0	1	1	2

GRIMSBY LIONS MINIATURE NATIONAL HOCKEY LEAGUE—On Saturday morning four well contested games were played. In the first game in the minor series Cleveland outscored Buffalo 3-1. Eugene Brotzel scored twice and Ronnie Moore once for Cleveland. John Lawson scored Buffalo's goal. In the second minor game, St. Louis suffered their first defeat at the hands of Syracuse 3-1. Raymond Fisher netted all Syracuse goals, Bobby Stuart scored the St. Louis goal. St. Louis missed many fine chances to score by wild shooting.

The majors played two evenly contested games. Boston defeated Detroit 4-2 and certainly deserved the win as they clearly held an edge on the play throughout. Jones 2, Collins 1 and Bossey 1, scored for the winners. Bruce Selby and Laddie Pogacher for Detroit.

The Canadiens - Maple Leafs tussle was anyone's game right to the last minute. Loose defensive play by the Leafs allowed Short-horse to break away and he made no mistake in netting the winning goal for Canadiens. Robert Stevens scored the other three Canadian goals. Billy Nelles 2, and George Fillimchuk 1, scored for the Leafs. Final score Canadiens 4, Leafs 3.

Games for Saturday, February 16th.
1st Game—Cleveland vs. Syracuse.
2nd Game—St. Louis vs. Buffalo.
3rd Game—Detroit vs. Maple Leafs.
4th Game—Boston vs. Canadiens.

WE MIGHT GET SOME PLACE SOME DAY—The afternoon gang at THE BOWLAWAY ain't doing so good since icy conditions and cold weather have been keeping RHODERICK THE RED confined to the house. The boys actually miss the Old Bookmaker. So do I. . . Was that Cub Reporter, GORDON McCREGOR, riding high Thursday morning after that 12-4 win in Thorold on Wednesday night. I had not yet got him cooled off when in blew, and I said blew, left the door open behind him and had plenty enough breeze of his own. OLD PEP SHEPHERD, the Beamsville Cyclone, prey of the PEACH KINGS Hockey Club. Now I ask you, what is a man to do with a pair of hockey crazy men like this pair. Do just what I did. Strap yourself to the chair and take it. . . I understand that MRS. PEP with all her arthritis trouble is still the NUMBER ONE fan behind the KINGS. A great gal, even if she was dumb enough to marry PEP. . . Last Friday night seemed to be a night of box car hockey scores all over the province. Down in Port Colborne, Crowland shellacked Beamsville 20-3 in an O.R.H.A. play-off game. While Oakville intermediates were taking a 16-0 white-wash from the PEACH KINGS the Oakville Junior C team was hand-washing Georgetown Juniors a 20-1 drubbing. Man the adding machines,

men. . . Play-offs have started in the O.R.H.A. The FRUIT BELT league has been given a bye in the senior series. . . I blew a couple of strikes last week when I stated that JOSEPHINE KANSKI was a member of the JOHN HALES team. She is a player on the VICTORY team. So Sorry.—It must be the mountain air. That Kanski gal came right back last week with a 706 triple. . . That was a beautiful game that the ST. JOHN'S bowled to win over the crack out. . . They took two points out. . . the three, too. . . OLD PUD REID was back in harness Sunday. Played with his two sons in St. Catharines on the BELL/TEL team to beat the undefeated McKinnon's team. There is life in the old dog yet. . . BEAMSVILLE threw a scare into the LEGION team in the FRUIT BELT league on Monday night when they held them to a 6-6 score. For a time it looked like the Legion were going to take a trimming. WINONA came through with an 8-3 win over FULTON while MT. HOPE took STONEY CREEK into camp by 5-2. . . Yuk, yuk, FIREMEN took four points from the IRON DUKES. . . BLACK CATS have a tin roof to play around on since SHEET METAL beat them 3-1. . . ZIMMERMAN family keep right on going. Took four points from the BOULEVARD. THE VIL-LAGE BANKER is slipping again. . . It was the STUART family against the ZIMMERMANS when the FIREMEN beat the PIN TWISTERS 3-1. That one sounds like a Major Hoopie story. . . WONDERS turned off the flow on the GAS HOUSE and took them 3-1. They had nine games over 200. GASSER BUCKENHAM had a 798 triple at that. . . Call out the Gendarmes. PEACH KINGS dumped the PIRATES overboard 3-1. Each team had seven games over 200. ADMIRAL CLATTEN-BURG had better get a supply of Nova Scotia kelp to feed his brigands. . . It has been decided by the teams in the FRUIT BELT League to allow the league-leading MT. HOPE team go on and represent the League in the O.R.H.A. They will meet the winners of the BEAMSVILLE-CROWLAND series in a two out of three goals to count set-to. The second game between BEAMSVILLE and CROWLAND will be played at the ARENA tonight. From this pin-

nacle it looks like CROWLAND all the way, that goes for the MT. HOPE series, too.

MEN'S SCHEDULE

Monday, Feb. 17th
7.30—St. Andrew's vs. Pirates.
7.30—Mountaineers vs. Foundry.
9.00—Black Cats vs. Monarchs.
9.00—Firemen vs. Farmers
Tuesday, Feb. 18th
7.30—East End vs. Iron Dukes.
7.30—West End vs. Pin Twisters.
9.00—Wonders vs. Generals.
9.00—Pony Express vs. S. Metal.
Wednesday, Feb. 19th
9.00—Boulevard vs. Peach Kings.
9.00—Gas House vs. L. Kings.

HANDS AT WORK . . .

ONTARIO'S future prosperity depends directly on a sufficient volume of production to satisfy domestic needs and assure for Canada a pre-eminent place in the markets of the world. Take the electrical industry for example . . . never before has the demand, both here and abroad, for the products of Ontario's great electrical plants been so great. Production must be increased . . . but to meet new production goals, skilled hands are needed. For them great opportunities lie ahead. Higher wages, job security, better working conditions are within easier reach of those who have mastered a skilled occupation.

through the plan sponsored by the Department of Veterans' Affairs Today, agencies, thousands of young workers are being trained to meet and other industrial needs of this Province. Graduates of the electrical courses are now ready to take their places in Ontario's these re- available to you are veterans, well started on the road to skilled industry-ades such as electrical construction and maintenance, radio and electical servicing and motor winding. Seek them out with confidence. electre your future craftsmen.

Peach Kings 16; Oakville 0

Winning seventh of ten games in the complete schedule of the Fruit Belt District grueling of the Intermediate B, the Grimsby Peach Kings are undisputed champions, as they wound up their final game at the local ice works against the Oakville Legion team on Friday night last.

Their closest rivals, the Dunnville Mudcats came through the ten game schedule with six wins and a tie gam with Oakville. The Kings ended up with an eleven goal margin over the Dunnville crew on the schedule, the Kings notching eighty-two goals to seventy-two for Dunnville.

It's a strange fact that on Thursday night, the Oakville team held the supposedly tough Dunnville aggregation to an eleven-goal tie, and a night later got trounced by a sixteen to zero count by the Peach Kings. Word straight from the men of Oakville would indicate that they were playing away above their heads in Dunnville, something which they simply could not define. They got back in their rut when they played here on Friday.

For the first period during which the Kings scored a couple of goals, the fans had little to keep them warm. As soon as the men of McVicar got warmed up to their task, the goals came so thick and fast that the cheering became continuous. It was quite evident that the locals were playing around with the Oakville crew, and Grimsby snipers had little trouble getting in close to score on Wilson who appeared to give up the ghost along about the middle of the second stanza.

The Kings scored five times in the second frame to give them a seven nothing lead, and it was in this period that Bobby Robertson, a former King netminder was hit by a puck which went into the crowd. Bobby suffered a gash to his forehead which required several stitches to close.

The final frame was practically a passing session for the Kings, as they moved up the ice with clockwork precision to score nine goals on the hapless Oakville crew.

Actually there is not much to say about this feat. Naturally everyone left the rink with a secure feeling that the Kings are playing a terrifically improved brand of hockey, a brand of hockey that should carry them a long way toward the championship.

First Period

1. Kings—Miller (Hutchison)	7.30
2. Kings—Kemp	9.57

Penalties: Hann, Languay, Wilson.

Second Period

3. Kings—Hann (Zuke)	5.01
4. Kings—Craig (Warner, Hutchison)	8.10
5. Kings—Kemp (Blanchard)	10.25
6. Kings—Zuke (Hill)	12.10
7. Kings—Hill (Zuke)	19.20

Penalty: Languay.

Third Period

8. Kings—Tallman (Blanchard Kemp)	3.40
9. Kings—Craig (Warner)	4.30
10. Kings—Hutchison (Reid)	4.56
11. Kings—Zuke	5.10
12. Kings—Blanchard (Tallman)	8.15
13. Kings—Warner (Reid)	8.45
14. Kings—Warner (Hutchison)	9.30
15. Kings—Miller	12.30
16. Kings—Blanchard	14.30

Penalties: Languay (2), Dowdle, Green, Mattison, Hann, Hutchison.

Referee: Red Reynolds.

Linesman: Artie Clark.

PEACH KINGS 12; THOROLD 4

February 17th—

7 p.m.—Winona vs. Mt. Hope
8 p.m.—Grimsby vs. Stoney C.
9 p.m.—Beaches vs. Fulton

"Look, you guys, this game is just as important to us, as any playoff game. We need a win, and we need a lot of goals." Thus stated Pop the McVicar.

Being a very obliging bunch of lugs when they want to be, the Peach Kings went out in the first period and before you could say Ch—ristmas this joint is colder than the hubs of you no where, the men of McVicar scored three goals.

Thorold took a dim view of all this messin' about in front of their man Clement, who in the final period became as Lamenten' Clementen'. Anyway, the canal town mugs poked in a couple of goals, both of which may be chalked up to rather loose play on the part of our heroes.

Pud Reid opened the second period with a shot which drooled from the centre ice area through to Clement who partially stopped the puck, almost but not quite. This was at the thirteen minute mark. Two minutes later Burnett scored for the Thorold aggregation, and in another one hundred and twenty seconds the Kings came through with their fifth counter. The score at the end of the second period was five to three for the Kings, and still anybody's game.

The Kings waited until the 3.52 point of the final stanza before they scored again, and after this one, I personally did not see much of the play, reason for same being that it took scads of time to keep up with the scoring. It was fast, furious, hectic, and all Peach Kings.

WINONA, 175

Hale scored from Mush Miller at 7.28 and then came the unique hat trick of Barry Blanchard. The flying Blanchard scored three goals in five minutes and thirty two seconds, all goals coming as a result of fine passing plays on the part of Kemp and Tallman. Blanchard's mates on the "Little Line," Russ Hann finally got his first counter of the year, this at 16.18. Hale and Zuke drawing assists.

Thorold picked up their fourth and final goal at 17.30 getting a break-away as the Kings were definitely goal hungry. Wonkie Mattison ended the shambles with seconds to go, Zuke and Hale again getting assists.

Thus ended a very fine game of hockey as far as the locals are concerned. It was Thorold's worst shellacking of the season. To give you some idea of how the Kings played, it is noted that of the twelve goals, there were seventeen assists awarded. This to us is significant of a fine game of passing.

It is against our policy to say that such and such a player played a swell game, but rather we prefer to say that the team as a body played extremely well. Nach, we can't ignore such feats as the afore-mentioned Blanchard, but on the other hand, his linemates, Tallman and Kemp were just as instrumental in securing those goals as was the actual goal scorer.

Hann, Reid and Miller gave Alf MacMillan very substantial support in the nets, and incidentally Alf's goaltending was very worthy of praise.

Here's how it happened.

First Period

1. Kings—Tallman	3.58
2. Kings—Mattison (Zuke)	8.56
3. Kings—Hale (Zuke, Mattison)	10.12
4. Thorold—Burnett (Skotchyla)	11.38
5. Thorold—McGill, (J. Rocco)	17.25

Penalties: MacMillan (holding), penalty served by Zuke.

Second Period

6. Kings—Reid	13.00
7. Thorold—Burnett (Skotchyla)	14.58
8. Kings—Kemp (Blanchard, Tallman)	16.58

Penalties: Sagolski, Spanchee, Reid, Armstrong Hale.

Third Period

9. Kings—Kemp (Blanchard)	3.52
10. Kings—Hale (Miller)	7.28
11. Kings—Blanchard (Tallman, Kemp)	11.02
12. Kings—Blanchard (Tallman, Kemp)	10.06
13. Kings—Blanchard (Tallman, Kemp)	15.40
14. Kings—Hann (Zuke, Hale)	16.18
15. Thorold—Reid (Armstrong)	17.30
16. Kings—Mattison (Zuke, Hale)	19.13

Final Score—

Peach Kings 12; Thorold 4.

Referee: Dinty Moore.

Linesman: Bill Mocha.

NEW HORIZONS IN Canada Unlimited

NEW WORLDS TO CONQUER...

Today, perhaps, he's whetting his skill, with deep pride of craftsmanship, on a model airplane . . . shaping a thing that symbolizes his longing for a man's strength, a man's freedom.

Tomorrow, he may be riding the winds in a real plane . . . charting new ways into Canada's Northland, topping the mountains of the West, bridging the ocean in a trifle of hours . . . with other lives dependent on his skill and judgment.

In whatever field his fancy ranges, marvellous things await him in the Canada of Tomorrow. Provided only he is offered the stimulus to ambition, the open door to achievement, which wise statesmanship and enterprising leadership alone can provide. These only are needed to start him on the march to New Horizons in Canada Unlimited.

Calling All Cars
in need of better service

Many car owners have come to us and said "I've heard so many nice things about you that I wish you would service my car—but unfortunately it isn't a Chrysler or a Plymouth."

So right here and now we cordially invite any motorist—no matter what make of car he drives—to come to us if he is looking for better service. We guarantee the same prompt attention, careful work and fair dealing that has made our Chrysler and Plymouth owners so happy.

THE SIGN OF BETTER SERVICE

OBITUARIES

Miss Janet McGuire, daughter of Mr. and Mrs. Albert McGuire, of North Grimsby, passed away on Tuesday, February 11th, at Niagara Peninsula Sanitarium. She was in her 19th year.

Beside her parents three brothers and three sisters survive: George, of Grimsby; John and William, of St. Catharines; and Margaret, Eva and Mary at home.

The funeral will be held at St. Catharines on Thursday afternoon from Butler's Funeral Home, with interment at Victoria Lawn Cemetery.

JAMES MCQUAY

In very poor health for several years there passed away at his home, 30 Murray street, on Tuesday morning, James McQuay in his 81st year.

Deceased was born in Markham township, January 16th, 1867, and lived a great portion of his life in Toronto, coming to Grimsby about 20 years ago, taking up fruit farming on Roberts Road. 10 years ago he moved to Grimsby town.

He was a member of Trinity United Church and served on the Session Board.

Surviving are his wife, the former Augusta Louise Hampton and three brothers, George, Homer and Benjamin, one sister, Mrs. Aurilla MacGregor, all of Toronto.

Funeral services were held at his late home on Wednesday afternoon, Rev. W. J. Watt officiating. Later the remains were taken to the A. W. Miles Funeral Chapel, Toronto, where funeral services will be held this Thursday afternoon. Interment will be in Mount Pleasant cemetery.

ARTHUR P. NORTON

A well known and highly respected resident passed away at his home on Thursday night last, in the person of Arthur Percival Norton in his 64th year.

He was a son of the late Edwin H. and Mrs. Norton and was born and educated in Grimsby and resided here his entire life. He had been in failing health for the past two years but his death came unexpectedly and as a sudden shock to his wide circle of friends and acquaintance.

He was a moulder by trade and for some years had been a valued

employee of Grimsby Stove and Foundry Co. He was an active member of Grimsby Baptist Church and was a member of the board of management and property committee of that church.

Surviving, besides his wife, the former Emma Ann Game, are four daughters and one son: Mrs. Geo. Konkle, Mrs. Alex. Gillespie and Mrs. Harold Heaslip, all of Grimsby; Mrs. Harry Marsh, Hamilton, and Bert Norton, Grimsby; also four brothers, Edwin, of Grimsby; Charles, of Wilmington, Delaware; Fred and Roy, of Hamilton; and three sisters: Mrs. Nellie Caldwell, Dundas; Mrs. Alice Stewart and Mrs. Gordon McBride, of Grimsby.

Funeral services, which were largely attended, were conducted from his late residence, Ontario Street, on Monday afternoon, Rev. George McLean, of Grimsby Baptist church officiating at the house and graveside. Interment was in Queen's Lawn cemetery.

Casket bearers were R. D. Colpitts, Lloyd Simpson, Wm. Bengough, Milton Morris, Palmer Hill and Fred A. Oakes.

MRS. ELIZA ANN WALTERS

Mrs. Eliza Ann Walters, widow of the late Jacob B. Walters, died Saturday at her home on Park Road, Grimsby Beach, in her 83rd year. Born in Clinton Township, she had spent all her life in the district. She had lived at Grimsby Beach for the past 42 years.

Three months ago she fell and fractured her hip and her death is attributed to this injury. She was highly respected, and a member of Beamsville Presbyterian Church.

She is survived by three sisters, Mrs. T. Chadwick, Grimsby, Mrs. S. Frickey, St. Catharines, Mrs. V. Ressey, California; three brothers, Alex and George Konkle, Clinton Township, and James Konkle, Beamsville; three sons, Robert, Grimsby Beach, Jacob, London, Ontario and Clarence at Picton; 15 grandchildren and 10 great-grandchildren.

Funeral was held Monday afternoon from the Buck Funeral Home, Beamsville, with interment being made in Queen's Lawn Cemetery, Grimsby.

Rev. Francis McAvoy, assisted by Rev. Mr. Scott, conducted the services.

Casket bearers were Stewart Walters of Welland, Wm. Walters of Picton, Gordon and Douglas of London, Harold and Leslie Walters of Grimsby, all grandsons.

W. CLARENCE FARROW

The death occurred suddenly in Detroit on Sunday evening of William Clarence Farrow, a former Grimsby resident, in his 48th year.

Deceased had attended a picture show on Sunday evening and feeling faint during the performance left his seat and went to the water cooler in the foyer for a drink where he suffered a seizure and collapsed. He was rushed to hospital but expired before reaching that institution.

Clarence Farrow was born in Grimsby, the second son of the late Wm. and Mrs. Farrow and was educated in Grimsby schools. He was familiarly known about town as "Scoop" through his several years' contact with people around The Independent office where he was office boy.

He went to Detroit 26 years ago and for a quarter of a century was a valued employee of the Dodge Motor Car Co.

He is survived by his widow, the former Josephine Nelson of Hamilton, two sons, John and William and one daughter Joan; two brothers, Frank and Cecil of Grimsby, and one sister, Mrs. Fred (Marguerite) Yeo, of Hamilton.

The remains were brought to Grimsby on Tuesday and funeral services were conducted from the Stonehouse Funeral Home on Wednesday afternoon by Rev. W. J. Watt.

Casket bearers were Oliver Shaw, Roy Farrell, Claude Boden, Robert Johnson, James Gowland and Fred Schwab.

Cubbing

John Brooks and John Lawson were presented with collection badges by Akela after a opening exercises on Thursday evening, and Jimmy Durham received his second year service star.

A lively game of Sheriffs and Bandits provided "steam off." This was under the capable direction of Sixer David Aiton of the White Six, who were in charge of the program.

During the study period the Brown Six sewed on the signal flags while the rest of the pack practiced pyramid building, Brian Jones, John Brooks, Jimmy Durham and Robert Johnson passed second star physical exercises.

A jolly sing-song around the camp-fire, followed by the mouse call and prayers, completed the hour.

When "B" Pack gathered around the Totem Pole, Baloo gave a talk on the Cub Law and then illustrated it with a story.

Sixer Jim Sims of the Black Six earned his Collector's Badge with a collection of nicely mounted shells. Jim had collected these during his recent holiday in the south, and the Cubs listened with both ears while he described the various shells and told many interesting details of his trip.

Three new games, Salute and Handshake, Rabbits and Trees, and Toot! Toot! Relays were played and greatly enjoyed.

CFRB WILL CELEBRATE ITS 20th ANNIVERSARY

(By JIM HUNTER)

CFRB is currently celebrating its 20th anniversary. I look at the station through the eyes of ten thousand newscasts. I have had a better than ring-side seat to watch its growth, by reason of long and close affiliation, and yet I am not and never have been a member of the staff.

I am like an old friend of the family, welcomed to the inner circle, yet free from blood ties, which so often upset perspective. A friend of the family does not judge by the daily frictions and differences of opinion. He judges by the broad advances made by the family as a whole.

To me CFRB has always seemed like a true and vigorously healthy family group, where the respective members sit down on occasion and hold a forum where views are expressed with utmost candor; where Dad and Mother sit back as umpires and counsellors, and often suck in their breath at the startling thoughts given voice by their offspring.

One afternoon shortly after I started to broadcast over CFRB, I was sitting in the smoker of an Ottawa-bound train, when a fellow-passenger sidled over to me and introduced himself as "Ted" Rogers, the founder of the station, and the man who gave the world the batteryless radio. "You're Jim Hunter, aren't you?" he asked. I nodded my head. It was back in the days when car radios were making their debut. Toward the end of our trip he asked if I had one in my car. I said that I hadn't. We parted at the station. A few days later upon going down to the garage where my car was kept the attendant informed me that a radio company had taken my car out during the afternoon and had returned it with a radio playing in it. It was all a surprise to me until I noticed the name of the radio. It was a "Rogers," and then I recalled my conversation with "Ted."

Next morning I called to express my appreciation. He said, "Glad you like it. I enjoy your newscasts. Thanks for calling." The late Mr. Rogers in that little gesture has always typified CFRB to me. Not too strong on words, but right there with the goods.

The management of CFRB is much like the Mother of Parliaments. Always willing to lend a helping hand to the members of the staff, but never getting paternal. Always willing to listen to new ideas. The belief is strong that there must be a constant striving for progress.

I doubt if associates of any other station in Canada do better financially than the men and women of CFRB, and yet the company pays its shareholders a tidy dividend each year. It is not a close corporation. It is owned by literally hundreds of shareholders, who have found that by supporting a solid front of wellbeing among the members of the staff, they can count on more and higher quality

ANTLER-SHEDDING TIME

Our zoologists tell us that moose and deer shed their antlers during a period extending from December to March, the older animals losing them first. Surprisingly few antlers are found lying about the woods since rodents such as squirrels, mice and porcupines gnaw away at them. Antler is one of the hardest types of bone, too.

REAL ESTATE

Harry Sturch, who 15 months ago sold his fine 90 or more acre farm on the Ridge Road west with all the equipment to Croft Milne, of Fruitland, has now purchased the old homestead portion of the farm with all the equipment from Mr. Milne. This block contains about 40 acres all planted to fruit, and the buildings. This portion of the farm in on the north side of the road. Mr. Milne retains the portion of the farm on the south side of the road which is comprised of 24 acres of fine grape and 26 acres of farm land.

BREVITIES

EVENTS and TOPICS of the WEEK in TABLOID

Tomorrow is St. Valentine's Day.
County Council meets next Tuesday night.

Lions Club meets next Tuesday night.
Annual meeting of Niagara Packers next Monday.

Burlington Gazette has raised its subscription rates.

Port Dalhousie versus the Peach Kings at the Arena tomorrow night. Also next Tuesday night.

Daylight saving time will be observed in St. Catharines this year between April 27 and September 28.

Merritt Council have appointed a committee to inquire into the efficiency of its Police Department.

Alfred Hunter Jenkins, of Beamsville, is a new employee on the mechanical staff of The Independent.

Niagara Town Council have passed a bylaw whereby in the future the Mayor will receive a salary of \$75 a year and each councillor \$50 per year.

In the past week, more than 200 motorists have been fined in St. Catharines for violation of parking regulations, mainly in regard to non-observance of parking meter restrictions.

At the Lions Club meeting next Tuesday night, Dr. Wm. J. Deadman, Pathologist and Bacteriologist for the city of Hamilton, will be guest speaker. His subject will be "Medico-Legal Science."

There was a total of 96 property transfers in St. Catharines during the month of January. Of the total 75 were for a consideration of \$325,759. The remaining 21 were family transactions at \$1.00 each.

Two Niagara Township hunters pleaded guilty in police court Saturday morning to charges of carrying loaded firearms on Sunday on other than their own property, and were fined \$10 and \$3 costs each. Game Overseer F. C. Lamour laid the charges after he apprehended Henry Williams and Samuel Mcrydrum January 28th. The two hunters did not have licenses.

LEGION JOTTINGS

After the close of the evening service on Sunday, February 9th, the Trinity Young Adult Group enjoyed a "Fireside Hour" in Trinity Hall, with the Baptist Young Adult Group as their guests. Miss Maisie Cullingford was in charge of the meeting which opened with a sing-song.

The guest speaker for the occasion was the Rev. Geo. McLean of the local Baptist Church who spoke on the subject of "Fellowship."

Others taking part in the program were Miss Madeline Blanchard, Mr. Glenn Pettit, Mr. Jack Ansell, and Mr. Fred Botterill.

The evening was brought to a close with the serving of a tasty lunch by the Social Committee.

If slow moving is conducive to longevity, the average waiter should live a long time.

Worry doesn't make a person grow thin. Many a woman worries about growing fat.

CONTINUATIONS From Page One

TOWN COUNCIL

It would remain the same. It was all a matter of conjecture. He did suggest that if the Board really feared a cut of approximately \$4,000 (about two and one-half mills) that this amount be added to the general tax rate and if the cut happened then the council could turn the amount required over to the Board. If the cut did not materialize then the council would have that much money as a surplus at the end of the year.

It was also brought to light that of the \$7,500 required to meet increased teacher salary boosts that \$3,500 of this amount was to take care of another salary raise next September, which would mean two salary increases in the space of nine months.

At this juncture Councillor Bonham stated that he had been doing some checking up and he found that Grimsby teachers were now being paid more money than teachers in the City of Welland and considerably more than in Beamsville, without another salary increase next Fall. He also stated that Beamsville Board of Education had not met the demands of the teachers but were just about at the point of letting them quit their job if they so desired. The Beamsville Board are today (Thursday) in Toronto in conference with the Department and the gist of their argument will be that they are at the breaking point and they cannot go any farther in meeting the abnormally increased expenditures.

Mr. Bonham started the Council with the statement that there were teachers on the Grimsby school staffs that were drawing more money than a number of the teachers on the staff of Toronto University were drawing.

On motion the requisition was laid over and Board of Education will be invited to meet the council as a whole and study the question on Monday night next. In the meantime the striking of the rate is left in abeyance.

If this requisition goes through as is, then citizens are due for a terrible surprise when the rate is struck.

Previous to the meeting The Independent informed Councillor Bonham of the intention of the council of Merrittion to secede from the County of Lincoln if at all possible. When Mayor Bull asked Reeves Hewitt and Price for a report on county affairs, Mr. Bonham immediately brought up the secession question and suggested that if Merrittion were successful that Grimsby follow suit. Council were all inclined to this idea. For about 15 minutes County Council as an institution took a terrible verbal beating from all members. Reeves Hewitt reported that Grimsby's County Rate this year would be well over \$20,000 as compared to \$17,000 last year. Of this amount of money paid into the county coffers Grimsby gets practically nothing returned. Bonham remarked "all we do is pay and the other fellow spends it and gets the benefit."

A bylaw was passed granting West Lincoln Memorial hospital 4/10's of a mill on the tax rate or \$1400.

Council passed a motion for Clerk Bourne to write the Minister of Highways asking that if the rumors be true that the Department intend moving the highway offices out of Hamilton that Grimsby be given consideration in the matter, as it was from Grimsby that McQueen moved the offices when they were established in the Dundas Marsh.

Mayor Bull informed Council that he had been contacted on several occasions by people complaining the local pool room, some with the consent of their parents, but according to law no person under 18 years can frequent a pool room unless accompanied by a parent or guardian (there has been a change in the law). Police Committee will look into the matter.

Canadian National Railways notified council that they will go on Daylight Time at 12.01, April 27, and remain on same until 12.01, September 28th. Grimsby will do the same, as per motion duly passed.

Joint Fire accounts for \$87.54 were ordered paid.

Relief accounts for January amounted to \$51.83.

On motion of Bonham and Price the following resolution was passed—"That regardless of any definite salaries set for town employees for the year 1947, an additional amount in the form of a cost-of-living bonus of five per cent be paid as of December 1st, 1947 and be retroactive to January 1st, 1947, to all permanent employees who have remained continuously on the staff during the above mentioned period, and that the average of their salaries or wages for the preceding 11 months be used to compute the bonus payment for the month of December, 1947.—Carried.

Clerk Bourne was instructed to write a letter of condolence to ex-Reeve Clarence W. Lewis, upon the loss of his wife.

During January waterworks pump house pumped 12,841,000 gallons of water; average per day, 414,225; smallest day pumping, January 18th, 355,000; increase over January 1946 531,000; increase in average per day over 1946, 49,387; gasoline engine run for five hours; power bills, January 1947, \$141.22, December 1946, \$132.92, January 1946, \$150.89.

Chief of Police W. W. Turner reported that in January five motorists were fined \$2 each under the Traffic Bylaw; one drunk paid \$11; one man apprehended on theft charge for Provincial Police of Hamilton; one non-support charge dismissed; 11 complaints investigated.

Parking restrictions in front of Stevenson's Grocery at the corner of Depot and John streets, will be changed from two hour parking to half hour parking.

During discussion of the parking situation both Reeves Hewitt and Councillor Alton laughingly stated that they had recently paid fines for illegal parking.

Salaries for four town employees were set as follows: G. G. Bourne, Clerk, \$40 per week; Fred Jewson, Tax Collector and Relief, \$30; J. M. Lawrie, Supt. of Works, \$30; James Scott, teamster, \$30.

Geo. Mould was appointed Fruit Pests Inspector at last council meeting at his previous year's rate of pay—50 cents per hour. He appeared before council and stated that he could not accept the position at less than 60 cents an hour. His request was granted.

L. A. Bromley and Mr. Knetchel of St. Catharines Field Secretary of the Canadian Institute for the Blind, asking for a grant to the building of the proposed new home for the blind to be opened in the County Town. Council took no action.

Ex-Reeve V. R. Farrell wrote council expressing his views on taxation and asking council to use

all due care and discretion in striking the 1947 tax rate. He particularly stressed that council keep a close check on the spending of the town's independent boards.

Tax Collector Fred Jewson reported that there were no tax arrears for 1946 and 1945. During January \$2,172 of 1947 taxes were prepaid, also \$36 for 1946.

Cecil Book was appointed Building Inspector at \$50 a year.

Sammy Levine was granted a building permit for the new addition to his Man street block.

General accounts for \$857 were ordered paid.

A bylaw was passed whereby the town enter into an agreement with the Liquor Control Board of Ontario for the enforcing of the Liquor Control Act by the local police force, the town to receive a portion of all fines and local license fees.

AGRICULTURAL SOCIETY PLAN BIG YEAR

On Monday evening, February 3rd, the Directors of the Clinton and Louth Agricultural Society met in the Council Chambers at Beamsville to formulate plans for the coming year. The President O. D. Davidson was in the chair and upon motion of W. Ransom and E. Cosby, Keith Comfort, Beamsville was appointed Secretary Treasurer of the Society. J. Romagnoli was nominated Director for the Federation of Agriculture.

Raymond Comfort reported on the District Convention held in Welland, January 29, and led in a discussion of Fair dates. The date decided upon for Beamsville Fair was September 30 and October 1.

The personnel of the General Fair Committees was considered and revisions made where necessary.

Discussion re exhibits for Junior and Ladies' Sections resulted in a decision to issue a preliminary Prize List for these departments

at an earlier date than formerly. After further routine business the meeting adjourned to convene again on February 17.

In a special message to the business girl, the Department of National Health and Welfare points to the importance of the mid-day meal, for best returns in work and enjoyment. This meal is as important as a substantial breakfast.

"Don't make it just a soft drink and a sandwich, girls," says the health department. "A good lunch should include hot dishes, when available, with milk, meat or meat alternates, 'Canada Approved' Vitamin B bread, vegetables and fruit."
